

Business Unit: HARTING Electric GmbH & Co. KG

PCN/0036

Product Range: Han-Modular®

Date: 20140903

Title : Han-Modular® Compact Carrier Hood &
Han-Modular® Compact Bulkhead Mounting Housing

Details of Product Changes

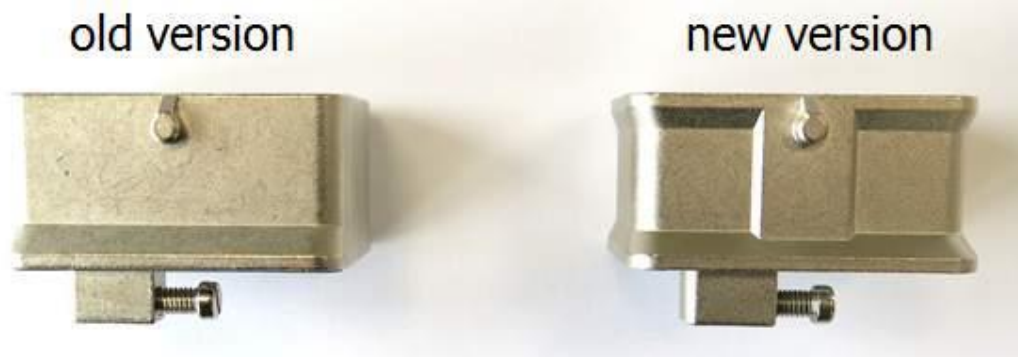

1. Concerned part numbers:

Han-Modular® Compact Carrier Hood 09 14 001 0311
Han-Modular® Compact Bulkhead Mounting Housing 09 14 001 0301

2. Description of changes / news:

The designs of the Han-Modular® Compact Carrier Hood 09 14 001 0311 and the Han-Modular® Compact Bulkhead Mounting Housing 09 14 001 0301 have been changed

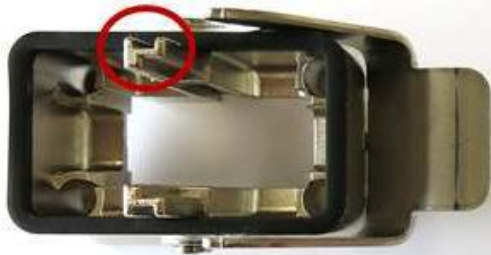

Han-Modular® Compact Carrier Hood 09 14 001 0311

Han-Modular® Compact Bulkhead Mounting Housing 09 14 001 0301

old version

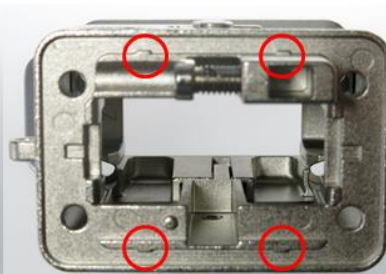

new version

old version

new version

Features and advantages of the new design:

- The new design has the main advantage of weight reduction as the amount of material is reduced. The weight reduction for both individual parts is approx. 18 g.
- The fixing of the flange gasket is improved as it is stabilized in the hood. This modification ensures easier handling.
- All other mechanical and electrical characteristics remain the same. The parts are 100 % mating compatible. Also prices remain the same.

3. Impact on product specification:

None

4. Scheduled date of implementation:

2014-09-03

5. Identification of change:

The part numbers remain unaffected.

The revision level of the Han-Modular® Compact Carrier Hood 09 14 001 0311 has been changed from 01 to 02.

The revision level of the Han-Modular® Compact Bulkhead Mounting Housing 0914 001 0301 has been changed from 02 to 03.
