ID No. 266	**Product/Process Change Notification**	Date 17.10.2014
Product	**BGS5T USB**	
Ordering Code	**L30960-N2720-A100**	
	Ordering No. changes: ☐ Yes ☒ No	
	New Ordering Code:	

Reason of Change:

☐ Technical requirement
☐ Customer requirement
☒ Quality improvement
☐ Change of production process/logistical changes
☐ Location of production moved
☐ Other:

Description of change:	Gemalto introduces a new version of the BGS5T USB terminal that offers additional GPIOs – in reference to the existing documentation (Hardware Interface Description, HID), GPIO 22 and 23 will be made additionally available on the 8-pole GPIO connector, downwards compatible to previous versions. In addition, the default configuration of the watchdog controler/GPIOs will be changed to "all input", to be identical with the factory delivery status. These GPIO-related minor changes are not approval relevant.
Scheduled date of introduction (cw/year):	48/2014
Timing note:	If Gemalto M2M GmbH does not receive a notification to the contrary within a period of 6 weeks, Gemalto M2M GmbH assumes that the customer agrees to the change.

Quality assurance measurements:	The new version fulfils all internal test requirements according to our Quality Management process and philosophy.
