

## Product change notification (PCN)

<b>Title / short description</b>	Marking of the locator with the Phoenix Contact logo and revision number
<b>Affected article category</b>	Tools
<b>Change category</b>	Marking
<b>Change number</b>	CAB200047-01

---

### Purpose/objective of the change

As part of the ongoing improvement process, the marking of the listed items is being changed.

### Detailed description of the change

In future, the locators of crimping tools will include a revision index after the order number so that the respective revision status can be clearly traced in the event of any changes. As part of this change, the Phoenix Contact logo will also be included on the locator. Only the marking will change; the technical properties of the locators remain unaltered.
