

Automotive and Discrete Group (ADG)
Power Transistor Division

CUSTOMER NOTIFICATION

Business continuity

INVOLVED PRODUCT: **TIP122, TIP127, TIP42C**

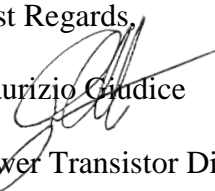

BU: **Power BIPOLAR**

Dear Customer,

This notification letter is to inform you that in order to support the current production of the product **TIP122, TIP127** and **TIP42C** mentioned in the **PTN IPG-PWR/14/8373**, will be kept in production, thus the PTN for these P/Ns has to be considered deleted.

STMicroelectronics is available for any additional support.

Best Regards,

Maurizio Giudice

Power Transistor Division Marketing Director
