

Dear Customer,

Please be informed that we are going to change the Tube Printing of the TO-3PF package of STMicroelectronics, manufactured in our Subcontractor in Korea.

The change consists to a different position on the tube of recycle symbol, antistatic and PVC text.

The involved product series and affected packages are listed in the table below:

Product Family	Package	Commercial Product / Series	1st Shipments
Power MOSFET IGBT Power BIPOLAR Rectifier	TO-3PF	See Product list	From Week 8-2018

Any other product related to the above series, manufactured in TO-3PF package, manufactured in our Subcontractor in Korea, even if not expressly included or partially mentioned in the attached table, is affected by this change.

**Qualification program and results availability:**

**Not applicable for this kind of change.**

**Change implementation schedule:**

The production start and first shipments will be implemented according to our work in progress and materials availability:

Sincerely Yours
