Subject: Printing Change for TR5V

For the automation and green environment, our company will change the printing of TR5V from Ink printing to Laser printing, the details are as follows:

Ink Printing(Old)

Laser Printing(New)

on the top

date code

on the top

date code

The change is just for the printing, the product quality and safe approval is not affected. New laser printing will be effected from the middle of November, 2020.
