31th August 2018

Dear Customer,

Anglia have been informed by the supplier Titan Opto that the Typical Luminous Intensity level of part TOL2012MGB has been increase by 15%.

The increase in intensity is still within the specifications set out in the data sheet, therefore the part number and data sheet will remain unchanged

Attached below is the official Supplier Notification..

Anglia operates a strict FIFO system in our warehouse facility therefore it may take some time for this change to filter through to customer deliveries of the above part number.

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely
Anglia
