Product/Process Termination Notification

Rationalization of low activity products

Notification number:	ADG-DIS/19/11462	Issue Date	26/03/2019
Issued by	Aline AUGIS		
Why this product termination?	Product portfolio rationalization		

Replacement scheme

Although the replacement parts have been selected for optimal replacement of the parts in termination, our customers should verify their correct suitability in the applications.
 Any custom part number not expressly mentioned in the current document, is included in this PTN and will be terminated as such.
