Description of change:	<p>Cinterion Wireless Modules GmbH has experienced the cancellation of some key components used for the above mentioned product. Therefore the above mentioned product will have to be discontinued.</p> <p>Cinterion always strives to provide customers with competitive advantages in terms of cutting edge technology and cost efficiency. Thus Cinterion recently launched its second generation MC55i as succession module to the EOL affected MC55/56. The new product offers significant improvements including an expanded feature set such as Quad Band, same footprint and backwards compatibility.</p>
Scheduled date of introduction:	<p>"Last time buy" will be 31st January 2011 "Last shipment" will be 31st May 2011</p> <p>The successor product DSB75 (already available) and a corresponding adapter board (available from January 2011) can be ordered by ordering codes: L36880-N8811-A100 DSB75 L30960-N1202-A100 Adapter board DSB75 to MC55i, MC52i, MC37i</p>
Timing note:	If no written notification to the contrary is received from the customer before 31 st January 2011, this PCN is considered approved.

Quality assurance measurements:	The successor product DSB75 and the adapter board DSB75 to MC55i, MC52i, MC37i fulfil all Cinterion quality standards.
