Power MOSFET Product Termination NOTICE

INVOLVED PRODUCT: **See attached list**

Dear valued Customer,

Following the rationalization process, please accept this letter as notice of our intention to discontinue the products listed below.

We understand that this may cause some inconvenience and would like to assist you with any applications support that may be necessary to complete this transition to our recommended alternative solution.

Our standard conditions for product termination are as follows:

- Order entry will be allowed for a maximum of 6 months from the issued date.*
- Delivery scheduling will be arranged out to a maximum of 12 months from the issued date.*

In some rare circumstance, for manufacturing constrains, we may be forced to accelerate this process, thus LTB (Last Time Buy) and LSD (Last Shipment Date) may be shorter.

We apologize for any inconvenience this change might cause and will be glad to work with you to find another solution. Please do not hesitate to contact us for any questions or concerns.

Sincerely Yours.
