

15 November 2018

Dear Customer

Anglia have been advised by the supplier CEL that their **PCB Support** product ranges have been made obsolete with immediate effect. The discontinuation of this product type is due to tooling being worn beyond its serviceable life and being no longer commercially viable to continue with investment to replace the tooling.

Stocks are available until exhausted and on a first come first served basis, please contact your Internal Account Manager or our sales desk ASAP to secure any remaining stocks.

Anglia have sourced recommended alternative replacements from Kang Yang on selected discontinued CEL parts as shown in the tables below.

Please make the relevant person(s) in your purchasing and engineering departments aware of this discontinuation to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
