Dear Customer

Due to decreasing demand for CEL Cable management products it is no longer commercially viable to continue stocking these items, therefore these products are to be discontinued with immediate effect.

Stocks are available until exhausted on a first come first served basis, please contact our sales desk ASAP to secure any remaining stocks.

We do have recommended replacements from Kang Yang on selected discontinued CEL parts as shown in the tables below.

Please make the relevant person(s) in your purchasing and engineering departments aware of this discontinuation to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
