| <input type="checkbox"/> Technical requirement | <input type="checkbox"/> Change of production process/logistical changes |
| <input type="checkbox"/> Customer requirement | <input type="checkbox"/> Location of production moved |
| <input type="checkbox"/> Quality improvement | <input checked="" type="checkbox"/> Other: new firmware introduction |

Description of change:	<p>We, Telit Cinterion, would like to inform you about the availability of new ordering codes with new firmware release 02.200 for PLS63-EP and PLS83-EP.</p> <p>The new ordering codes listed in the table above comply with the new requirements of EU RED Delegated Act on Cybersecurity (Commission Delegated Regulation (EU) 2022/30), commonly known as "RED Cybersecurity requirements".</p> <p>Release notes are available on Telit Cinterion website or via the Technical Support team.</p> <p>Ordering codes with firmware 02.110 or previous versions listed in the table above are going End-of-Life (EoL) with the schedule detailed below.</p>
Schedule details:	<p>Build to Order (BTO): Date of present notification</p> <p>From this date, the product will be available upon firm order (not cancellable and not re-schedulable).</p> <p>Open backlog will become not cancellable and not re-schedulable one month after this date.</p> <p>Last Time Buy (LTB): March 31st, 2026</p> <p>Orders can be submitted until this date.</p> <p>Last Shipment Date (LSD): September 30th, 2026</p> <p>Date that can be requested for scheduled orders, which were placed before LTB.</p> <p>End of Technical Support: December 31st, 2026</p> <p>Technical support for this variant will end on this date.</p>

Quality assurance measurements:	The new version fulfils all internal test requirements according to our Quality Management process and philosophy.
