EOL – End of Life Notification

Part Number: A10464 Clarki Antenna
Author: Colin Newman **Date: 01st August 2018**

Reason for discontinuation

Due to new and improved performance antennas from Antenova we are consolidating our portfolio which has resulted in the announcement to end-of-life the Clarki A10464 3G antenna.

Recommendations

Antenova recommends the migration to our new LTE antennas. Full details can be found on our web site www.antenova-m2m.com or contact us at sale@antenova-m2m.com for further advice. Alternatively, please see note regarding continuous orders.

Continuous Orders

Once the last time buy has passed, or the stock of 4,000pcs have been consumed, whichever comes sooner, this antenna will still be available but not as a standard device. Therefore, any orders after this time will have to be for an MOQ (minimum order quantity) of 10,000pcs and an MSQ (minimum ship quantity) of 10,000pcs. All orders will be Non-cancellable and non-returnable (NCNR).

Contact

We trust that this does not inconvenience you too much and we thank you for your understanding in this situation. Please be assured of our best and continued support and if you have any questions then please contact your local Antenova representative.
