MGJ6T05150505MC-R13 MGJ6T05150505MC-R7	 A 3D rendering of a Murata MGJ6T05150505MC-R13 and MGJ6T05150505MC-R7 component. It is a red rectangular module with a black top surface. The top surface has a silver-colored area with the text 'MGJ6TXX', 'XXXXXXMC', and 'XYWW'. There are several pins on the top and bottom surfaces.
NCS12S1203C NCS12S1205C NCS12S1212C NCS12S1215C NCS12S4803C NCS12S4805C NCS12S4812C NCS12S4815C	 A 3D rendering of a Murata NCS12SxxxxC component. It is a black rectangular module with a silver-colored top surface. The top surface has the text 'NCS12SxxxxC', 'XYWW', and 'Murata Power Solutions'. There are several pins on the bottom surface.

The top component is a black cylindrical inductor with an orange wire winding. The bottom component is a black cylindrical inductor with a silver-colored top surface. Both components have the text '100C' on their top surfaces.
