Dear Customer

**Re: DCN-1107**

We have been advised by Toshiba of a change to the Last Time Buy (LTB) dates for discontinuation notice no. DCN-1107 previously issued on 1<sup>st</sup> July 2011.

Following the flooding in Thailand last year, these parts which were already announced as being discontinued will now no longer be available with immediate effect. As a result no LTB is now available to support future orders.

We still have some stocks available on these Toshiba parts which are available on a first come first served basis. Please make the relevant person(s) in your purchasing department aware of this discontinuation change to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
