Dear Customer

We have been advised by Hirose that the tubes/stick packaging option on the DF12 series has been discontinued, the DF12 series will now only be available in Tape and Reel packaging.

Please note the specification of the DF12 series will remain unchanged this notification refers only to the discontinuation of one packaging option (tubes/stick).

Because this change will effect part numbers and packaging quantities it is important you notify the relevant departments in your organisation so necessary changes can be made to accommodate this change. For your convenience a table is provided below showing the old and new part numbers and packing quantities.
