Notice of Discontinuance of Adjustable Ceramic Capacitors

To Whom It May Concern:

We would like to thank you for your great patronage to Panasonic.

Unfortunately, today we have to announce our decision of stop producing the Adjustable Ceramic Capacitors made in INDONESIA.

[Product Name] Adjustable Ceramic Capacitors
[Discontinuance schedule] Production ends in Aug. 2007

[Panasonic P/N]	[Reason of discontinuance]
ECRJE****	Demand decrease, due to the market change
ECRJC****	Demand decrease, due to the market change
ECRLA****12	Demand decrease in Discrete type
ECRJA****12*	Demand decrease in Cover type (for flow soldering/cleaning)
ECLLA****52S	Demand decrease in Cover type (for flow soldering/cleaning)
ECRLA****12S	Demand decrease in Cover type (for flow soldering/cleaning)

We appreciate if you check the schedule above and consider switching to use the substitutes.
If you cannot use the substitutes, please inform the last time buy quantity by the end of May.

Matsushita P/N	Switching to substitutes		Last Time Buy Qty
	Approve	Not approve	

*If you choose to use alternative products, please fill out the attached sheet.

We are very sorry to inform you like this unfortunate notice. We hope we have the other business with you. Thank you for your understanding and cooperation.

Sincerely,

Nobuhiro Kosaka
