

17 April 2023

Dear Customer

Anglia have been advised by the supplier EPOC that they are no longer able to produce E68 type Metallised Polyester Dipped Film capacitors.

Unfortunately, they were no longer commercially viable which has now led to a factory closure. This also means there's no opportunity for a last time buy so they are discontinued with immediate effect.

Table of EPOC parts Discounted			
EPOC Part Number	Description	EPOC Part Number	Description
080104	E68 DIP FILM 0.1UF 100V 10.2MM	080316	E68 DIP FILM 0.47UF 250V 22.9MM

There is no direct replacement, but we have limited stocks of EPOC parts available on a first come first served basis. Please contact our sales desk with your requirement and make relevant person(s) in your organisation aware of this change.

Yours Sincerely

Anglia
