Related Product Family: G5A series  
Related Product: G5A series  
Product Description: Signal Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: Conditional replacement available: G6S series

---

Related Product Family: G6W series  
Related Product: G6W series  
Product Description: High Frequency Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: No replacement available!

---

Related Product Family: G6A4 series  
Related Product: G6A4 series  
Product Description: Signal Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: Conditional replacement available G6A2 series

---

Related Product Family: G9YA series  
Related Product: G9YA series  
Product Description: High Frequency Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: No replacement available!

Related Product Family: G6H series  
Related Product: G6H series  
Product Description: Signal Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: Conditional replacement available G6K series, G6S series

---

Related Product Family: G6H-2F series  
Related Product: G6H-2F series  
Product Description: Signal Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: Conditional replacement available G6K series, G6S series

---

Related Product Family: G4B series  
Related Product: G4B series  
Product Description: PCB Power Relay  
Reason Details: Supplier will discontinue this series relays due to decreasing orders  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: Conditional replacement available G7L-1A-TUB, LY1F-T2

---

Related Product Family: G4F series  
Related Product: G4F series  
Product Description: PCB Power Relay  
Reason Details: Supplier will discontinue this series relays  
Discontinuation Date: 29th September 2010  
Last Order Date: 29th June 2010  
Replacement Product: Conditional replacement available G7L-1A-TUB, LY1F-T2

Yours Sincerely

Anglia
