

Subject: Discontinuation of Alkaline Powerline Series – Important Customer Information

Dear Valued Customer,

We, Panasonic Industry Europe GmbH, would like to inform you that our **Alkaline Powerline series for industrial use** will be **discontinued by the end of 2025**. We will continue to accept new orders for this product line **until the end of June 2025**.

Please note that the following models will **no longer be available** after this period:

- **LR20**
- **LR14**
- **6LR61**

However, we are pleased to offer a **suitable alternative** for the **LR03** and **LR6** models, which will be supplied from our **factory in Thailand**.

Should you have any questions or require further assistance, your **Key Account Manager** will be happy to support you.

Thank you for your continued trust and partnership.

Best regards,

Panasonic ENERGY
