Discontinuation of Series 92 components

Dear Sir or Madam

Due to a too low demand, some Series 92 components will be discontinued by end of September 2017. Please find attached a list of the affected articles.

The products will remain available while stocks last but not longer than 6 months (until end September 2017).

Please inform your customers accordingly.
In case of any questions, do not hesitate to contact us.

Kind regards
