Complete Part Number Listing - PLC14051

Dear Customer

We have been informed by Intersil that the Product Termination Notice (PLC14051) that was originally sent on the 19th September 2014 did not contain the complete list of all the part numbers within the notice.

Please see the following Master List sent to us for all the part numbers concerned by this notice, showing withdrawn and ship dates.

Also attached separately is the original notice received outlining Product Termination Notice (PLC14051).

Please make the relevant person(s) in your purchasing and engineering departments aware of this change to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
