ANGLIA COMPONENTS LTD

PIR Sensor partial withdrawal(Japan produced item)

Product Type: IRA-E Series, IRS-B Series and Frenel lens for these series

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
We would like to announce on the withdrawal of PIR sensor IRA-E series, IRS-B (SMD) series and Frenel Lens for these 2 series, by the schedule indicated below.
Please read through this notice and return your written feedback by the due date.
Also, we request you to place the last time order by the Last time order limit.
Your understanding and support are highly appreciated.

1. Product Type, Customer/Murata/Alternative Part Numbers:

Product Type: IRA-E Series, IRS-B Series and Frenel lens for these series
Please refer to the attached documents for detailed Part Numbers' information.

2. Reasons/Background:

To concentrate on promoting IRA-S series such as RFI improved high performance type, we decided to withdraw IRA-E Series, IRS-B(2nd SMD) series and Fresnel lens for these series.

1. **IRA-E series** has not been promoted for the past few years since we have new higher performance PIR sensor IRA-S series.
2. **IRS-B (2nd SMD) series** also has not been recommended due to disadvantage of noise against lead type for the past few years. Customer who requires small size sensor and who understands the noise demerit has adopted 2nd SMD series, however, the business volume of those customers were not large.

Classification I Discontinued (with alternative equivalents): IRA-E series and Fresnel Lens for IRA-E series
Classification II Discontinued (no replacements): IRS-B series and Fresnel Lens for SMD
Classification III Factory change (Japan to Thailand): Other Fresnel lens

3. Product Withdrawal Schedule:

Last time order*:	Sep, 30, 2019
Production stop:	Dec, 31, 2020
Last shipment:	Jun, 30, 2021

*: Last time buy needs to follow the standard package quantity and minimum order quantity.
No return and No cancel can be accepted except for Murata responsible failure.

4. Feedback Due:

Mar, 31, 2019
Please fill in and return the attached page with your feedback by the due date above.
If you need further discussion and/or adjustment, please indicate so on to the attached page or to the other written format and return to Murata contact person.
We will regard the silence as acceptance of this notice after above due date.

5. Contact Window:

Should you have any questions or concerns,
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
