

Product Discontinuance Notice - PDN 23_0089 Rev. A

Analog Devices, Inc. One Analog Way, Wilmington, MA 01887

This notice is to inform you of a product discontinuance for certain ADI products (see Discontinued Parts Material List below). Any issues with this PDN must be sent to ADI as soon as possible. The information contained within this PDN is considered proprietary and should not be shared outside of your company. ADI contact information is listed below.

PDN Title:

Obsolescence of Tower Fab3 (JAZZ-3) SBC35 Process

Publication Date: 28-Feb-2024

Last Time Buy Date: 17-Jan-2025

Last Time Ship Date: 28-Feb-2030

Revision Description:

Updated replacement products and extended the last time buy/ship dates.

Reason For Discontinuance

Tower Fab3 (JAZZ-3) EOL of SBC35 process.

Comments

Dear Valued Customers,

This letter is in reference to PDN 23_0089 & M001099 related to an external foundry partner Tower Semiconductor deciding to EOL (End of Life) Tower 0.35um SiGe BiCMOS Process impacting products you are using. ADI does not obsolete parts that still have customer demand unless driven by exceptional circumstances and understands that customers value the reliability of long-term production assurance. Hence ADI is investing \$2B in expanding its capacity in 180nm and longer nodes to enable resiliency. This resiliency creates dual source of supply for more than 70% of the ADI business with most coming from expansion at Limerick and Beaverton factories to protect our customers. As you know ADI does not PDN processes running in internal factories.

In this particular case, ADI is taking special measures to take care of customers with the following actions.

- ADI has started building buffers in die bank to minimize the impact to you while you comprehend your needs. Placing the orders as early as possible will help ADI ensure we are building up to 10 years of buffer quantity of the right parts for you.
- ADI worked with our supplier to extend the last time buy from Sept 2024 to Jan 17th, 2025.
- ADI will be flexible in your shipment dates up to Feb 2030

The revised PDN includes recommended alternatives, Analog.com product pages have links to the PDN under each orderable part number and updates to display alternatives on product pages have been added.

We apologize for any inconvenience this product discontinuance may cause and remain committed to minimize impact to you. Feel free to contact your ADI sales representative should you have any questions.

Sincerely
