Dear Customer,

We have been advised by Deltron (Alpha 3 Group) that following a review of their product offering, parts with the 671 range have now been discontinued. This is because of not being viable due to high minimum orders from their supply chain versus the sales volume. Some stocks may remain with the supplier.

They have made the decision to discontinue the following products in the table below with immediate effect:

671-0301	DIN CON 3 WAY SKT
671-0401	DIN CON 4 WAY 45 DEG SKT
671-0501	DIN CON 5 WAY 60 DEG SKT
671-0601	DIN CON 6 WAY SKT
671-0701	DIN CON 7 WAY SKT
671-0801	DIN CON 8 WAY SKT

Anglia have some remaining inventory on the discontinued products which will be available on a first come first served basis, we would recommend that you contact our sales desk ASAP to secure any remaining stocks.

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely

Anglia
