Discontinuation of Maxell Oxygen Sensor KE Series

Dear Figaro Distributors,

First, we would like to express our sincere thanks for your continued interest in Figaro products.

We regret to inform you that Maxell will discontinue their leaded galvanic cell-type oxygen sensors KE Series and will switch to their successor, the lead-free galvanic cell-type oxygen sensors, KE-LF Series.

Discontinued models

- KE-12, KE-12F3, KE-25, KE-25F3, KE-25F1, KE-25F4, KE-50

Please refer to the following link for the Announcement from Maxell.

https://ssl4.eir-parts.net/doc/6810/ir_material22/209430/00.pdf

Final orders/shipments date for KE Series and the recommended alternative KE-LF models will be announced in the next announcement as soon as possible.

We apologize for any inconveniences that you may have due to the discontinuation of products. We appreciate your understanding regarding this matter.

Should you have any questions, please do not hesitate to contact us.

Sincerely yours,

FIGARO ENGINEERING INC.
