## PRODUCT DISCONTINUATION NOTIFICATION

Dear Customer,

Date: 14<sup>th</sup> Sep. 2023

We appreciate your long-term use of our display products and support of our business. We hereby announce the End of Life (EOL) of the products listed below.

### Reason to EOL

Our Japanese TFT production lines (Tottori plant) are undergoing consolidation to improve the production efficiency and adopt the latest technologies. Some of our LCD cells will be affected by these changes. However, to ensure the continuity of our product supply, we have recommended replacements available for your consideration.

### EOL plan

- Last time buy date: 29<sup>th</sup> Dec. 2023
- Last time shipment date: 28<sup>th</sup> Jun. 2025

(Since the EOL affects our customers worldwide, there is no guarantee that all your Last Time Buy expectation will be met as such will be subject to production yield rate and product availability)

Please do not hesitate to contact your regional sales manager if you have any questions or need further assistance.

Your sincerely,

*Jason Tsai*
