Dear Customer,

We have been advised by our supplier MAGNETONE that due to lack of material supply, sounder part **CB23BD** has been discontinued with immediate effect.

Currently, there is no replacement from MAGNETONE. However, Anglia may be able to propose alternative solutions from other manufacturers within our portfolio. Please contact our sales desk with your requirements.

There are still limited stocks which are available on a first come first served basis however we are unable to secure further stocks once this stock is exhausted, so it is critical you let us know your requirements ASAP

Please make the relevant person(s) in your organisation aware of this change.

Yours sincerely

Anglia
