Change Summary	Series Discontinuation

Dear Customer,

We have been informed by our supplier Nover, that due to declining year on year demand for their through-hole electrolytic capacitors, it is no longer commercially viable to continue manufacturing them. Nover have advised they will discontinue production of the following series listed below with immediate effect:

RB Series - 050xxx	R7 Series - 056xxx	R5 Series - 063xxx
TE Series - 051xxx	RJ Series - 057xxx	LE Series - 064xxx
RH Series - 052xxx	LL Series - 059xxx	CE Series - 065xxx
RE Series - 053xxx	RL Series - 060xxx	LT Series - 081xxx
LS Series - 054xxx	RX Series - 061xxx	LC Series - 082xxx
LH Series - 055xxx	TH Series - 062xxx	LP Series - 083xxx

Anglia have some remaining inventory on the discontinued series which will be available on a first come first served basis, we would recommend that you contact our sales desk ASAP to secure any remaining stocks. There is no alternative offered from Nover; however, we can offer some direct alternatives from other manufacturers which Anglia represents. Please contact our sales desk with your requirements.

Please make the relevant person(s) in your purchasing and engineering departments aware of this discontinuation to avoid any disruption to your manufacturing.

Yours Sincerely,

Anglia
