Dear Customer

We have been made aware by ST that certain parts will be made end of life. We have made efforts to ensure that customers are not affected by this. However, if you require a replacement part please contact the office where we will try to provide a suitable alternative.

Anglia operates a strict FIFO system in our Distribution Centre facility; therefore, it may take time for this change to filter through to customer deliveries of the affected part numbers. Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely
Anglia
