

PRODUCT TERMINATION NOTICE

Dear Telit Cinterion Partner,
 we would like to announce that the ordering P/Ns for the module variants LE910C1-EU, LE910C4-EU and LE910C1-EUX with hardware version HW 1.30 are obsolete and will be put in End of Life (EoL). As anticipated in April 2022 with the PCN-0582-22-0030, a new hardware version (HW 1.40) has been introduced to overcome components EOL, better fulfill the market demand and mitigate possible shortages in the future. See next pages for alternative ordering part numbers, also featuring the latest software releases.
