Reason/s for Change

In order to ensure the stable supply of SIM7000E & SIM7000G module, SIMCom has to change the 2G PA and IC currently used to new ones. The discontinued one and the replaced one are both listed in above table. SIMCom declares that this change will not affect module function and performance, and will not affect customer applications either. We add new part number to this module:

Module name	Original P/N	New P/N
SIM7000G	S2-107Y8	S2-108NM
SIM7000E	S2-107Y3	S2-108NN

Please note: Purchase orders of Original P/N will be accepted until 2024/2/29.

Thanks for choosing SIMCom products!
