

Multilayer Ceramic Chip Capacitors / Notice of Discontinuation

To our valuable customers,

WW MLCC demand has been rapidly increasing due to increasing functions of smart devices and the spread of EVs and ADAS in the Automotive market. This has led to a critical MLCC shortage all over the world. In order to increase production capacity and improve productivity, TDK has decided to implement production discontinuations of some product categories showing low production loading.

Affected items for the Production Discontinuation

Please see the attached list.

Please provide Last Time Buy Quantities to TDK because no alternative items are available at TDK and on other supplier's Website

* Final order deadline for the Last Time Buy : October 31st, 2018

We would appreciate it if you complete and return the attached form of acknowledgement by July 31st, 2018.
