Tibbo Technology Announcement

Dear Customer

Due to limited demand and declining sales of Tibbo Technology products it is no longer viable for Anglia to continue promoting their range of products. As a result, all products are to be discontinued by Anglia with immediate effect.

Unfortunately, we are unable to offer alternatives, however we have limited stocks still available so we would recommend that you contact our sales desk ASAP to secure any further requirements. We are also offering an opportunity to place a last time buy order on Tibbo Technology products, please contact us before 30th November 2017 with your requirement.

Please make the relevant person(s) in your purchasing and engineering departments aware of this discontinuation to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
