

Product Termination Notification Note

06.02.26

Dear Customer,

Please note that the Last Order Date of 30th June 2026 announced by Winbond is dependent on allocation quantity available to you as an existing customer. For new customers, Winbond cannot deliver any EOL parts.

This is due to extreme market conditions for DDR products which has led to allocation restraints on many products within the range.

Please make the relevant person(s) in your organisation aware of this change and contact our sales desk for more information.

Yours sincerely

Anglia
