

# Honeywell Announces Obsolescence of HIH9000 Series Humidity Sensors

April 23, 2018

Due to manufacturing challenges and changes in demand Honeywell Sensing and Internet of Things (SIoT) will stop producing HIH9000 Series Humidity Sensors, effective immediately. Honeywell offers pin to pin compatible devices within the HIH8000, HIH7000 and HIH6000 Series. For existing orders Honeywell can convert accepted orders to HIH8000, HIH7000 or HIH6000 series sensors or cancel the orders.

## Warranty/Remedy

Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items that Honeywell, in its sole discretion, finds defective. If Honeywell is unable to repair or replace the goods, it will provide a credit for the impacted goods. **The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**
