Subject: Official Statement on China's Export Restrictions on Key or Rare Materials

Dear Valued Customer,

This letter serves as an official statement issued by Taiwan Semiconductor Co., Ltd. (hereinafter referred to as "TSC") regarding the recent export restrictions imposed by the People's Republic of China on certain key or rare materials.

TSC hereby confirms that these export restrictions do not and will not have any material impact on the stability, continuity, or operational integrity of TSC's supply chain. Based on TSC's current assessment, there are no foreseeable disruptions to its production schedules or delivery commitments as a result of these regulatory measures.

TSC remains committed to diligently monitoring any developments related to these restrictions and will continue to implement all necessary measures to ensure the seamless and uninterrupted production and supply of its products.

Furthermore, TSC reserves the right to conduct periodic or ad hoc due diligence and compliance reviews in accordance with applicable local laws, regulations, and international standards. TSC's internal management practices and operational measures may be adjusted as deemed necessary to align with any changes in the aforementioned legal frameworks and regulatory requirements.

For any further inquiries or clarifications, please contact TSC through the designated channels.

Sincerely,

Taiwan Semiconductor Co., Ltd.

Frank Song
Senior Manager of Supply Chain Management
