

European Packaging and Packaging Waste Regulation (PPWR, Regulation (EU) 2025/40) Article 5

Company Name: Adam Tech
Address: 909 Rahway Ave, Union, NJ 07083

Date: 08/24/2026

Adam Tech fully complies and hereby certifies complete conformance to the requirements of Regulation (EU) 2025/40, in particular Article 5, regarding substance restrictions.

Product P/N('S):

All Adam Tech products

Packaging:

Material: Cardboard outer box and Poly bag. Fully recyclable.

Conformity Statement:

The packaging described above conforms with Regulation (EU) 2025/40, Article 5, regarding restrictions on hazardous substances, including but not limited to:

Heavy metals: lead, cadmium, mercury, and hexavalent chromium (≤ 100 mg/kg total)

PFAS substances for food contact packaging: ≤ 25 ppb per individual PFAS; ≤ 250 ppb total (not applicable to current packaging application)

References to Harmonized Standards or Specifications Used:

ISO 18602:2023 – Packaging and environment – Optimization of packaging content and recyclability

Supplementary Information:

This packaging is designed for single use and is fully recyclable.

Qualitative minimization assessment performed to ensure packaging efficiency and minimal environmental impact.

This declaration covers the packaging exclusively associated with Adam Tech Power Cords (PC Series) and confirms compliance with the substance restrictions specified in Article 5 of Regulation (EU) 2025/40.

Sincerely

A handwritten signature in blue ink that reads "Scott Sokoli".
