Notification according to the EU Packaging and Packaging Waste Regulation (PPWR)

In accordance with the [EU Packaging and Packaging Waste Regulation \(PPWR\), Regulation \(EU\) 2025/40](#), PIEU would like to inform you about the implementation of an **additional label/mark on the product packaging**. This is legally binding and has following content:

- 1) Registered trademark (in case registered trademark not printed in the present package)
- 2) Manufacturer information provided either in text form or accessible via QR code.
- 3) Packaging identifier

We would like to underline that the existing packaging structure and the used materials remain unchanged and in consequence there is **no expected impact on the quality of the packaging** or on any customer processes. Furthermore, the existing **product labels** on the packaging will **remain unchanged and untouched**.

This labeling activity is solely the responsibility of Panasonic, where Panasonic acts as the manufacturer/packer of the packaged product. This information is provided for transparency purposes only and does not require any further action.

With best regards

Panasonic Industry Europe
