

Persistent Organic Pollutants Declaration

The Stockholm Convention Persistent Organic Pollutants Review Committee (POPRC) reviews and updates the Stockholm Convention's list of persistent organic pollutants (POPs) which details the substances that are eliminated, restricted or subject to limitations. Schaffner monitors this list in conjunction with the requirements of Regulation (EU) 2019/1021 on persistent organic pollutants and the Persistent Organic Pollutants Regulations 2007.

We hereby declare that according to regulation (EU) 2019/2021 there are no persistent organic pollutants in the products or processed by Schaffner group. This declaration covers the latest update in POPs regulation of Aug 11th, 2023.

The statements made here are mainly based on the information given by the manufacturer, their suppliers, and our suppliers for our entire product portfolio. Those statements were not corroborated by laboratory analyses.
