

Ceramate Technical Co., Ltd.

No., Ln.311, Sec.1, Jieshou Rd., SanxiaDist, New Taipei
City 237, Chinese Taiwan

Declaration of Hazardous Substance

On **February 4th, 2026**, ECHA has updated the Candidate List of substances of very high concern (SVHC) under the EU REACH Regulation by adding 2 **new hazardous chemicals to the SVHC Candidate List**. This brings the total number of entries on the list to 253.

Ceramate hereby declare that the components supplied to Anglia do not contain any of the banned substances listed under ECHA Directive 76/769/EEC (Annex XVII to EC No 1907/2006) including the February 4th 2026 ECHA amendment to the list (**253 items**) of substances of very high concern (SVHC).

Sincerely Yours,
Ceramate Technical Co, Ltd.
June 2/2026
