We warrant that the products comply with REACH(Registration, Evaluation, Authorization and Restriction of Chemical Regulation)-SVHC(Substance of Very High Concern) :

ECHA has added two new SVHC to the Candidate List on Feb 04, 2026. As of Feb 04, 2026, REACH Candidate List of SVHC contains 253 substances. Concentration of substance is calculated based on weight of that article. The substance is present in their relevant articles at a concentration shall be less than 0.1% weight by weight.
More information about the SVHC can be found in following website:
