Declaration of Compliance to Section 54 of the Modern Slavery Act

The commitment of Tokyo Parts to respect in the workplace includes our full support for international efforts to promote ethical principles and practices related to the prevention of exploitation and abuse associated with modern slavery and human trafficking.

Tokyo Parts also expects commitment to these principles from all organizations with which we do business with and will not support or do business with others knowingly involved in slavery or human trafficking. In addition it is a condition of all sold parts that they comply with Anti-Slavery Legislation, specifically section 54 of the Modern Slavery Act.

Best regards
