

BLADE TERMINALS

EXPANDED RANGE

PCB SCREW TERMINALS

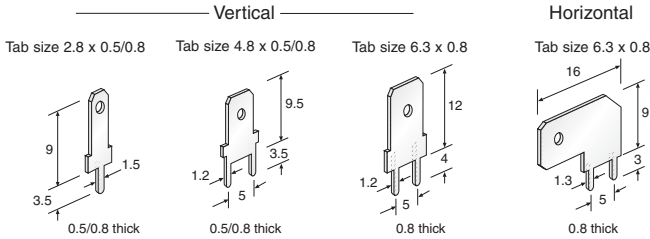

Tin plated brass terminals designed to accommodate push-on connectors (female disconnects). Available in pcb and stud mounting forms. For suitable crimp connectors, refer to page 289.

Tin plated brass, threaded pcb terminals designed to accommodate a screw. 4 hole mounting. Available with or without matching screw. For suitable connectors, refer to pages 287-288 (crimp) or page 292 (solder tags).

PCB MOUNTING

Option of vertical or horizontal, with vertical providing a choice of tab size.

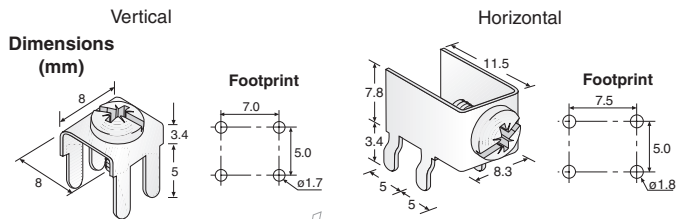

Dimensions (mm)

Type & Tab Size (mm)	Manf. Part No.	anglia Order Code
VERTICAL		
2.8 x 0.5	MCB1-110	492210
2.8 x 0.8	MCB1-1108	492209
4.8 x 0.5	MCB1-1875	492213
4.8 x 0.8	MCB1-1878	492212
6.3 x 0.8	MCB1-250	492211
HORIZONTAL		
6.3 x 0.8	MCB3-250	492250

WITH SCREW

Option of vertical or horizontal and screw size. Screw is nickel plated brass with a combi pan head design, and supplied unassembled. Other screw types are available to special order.

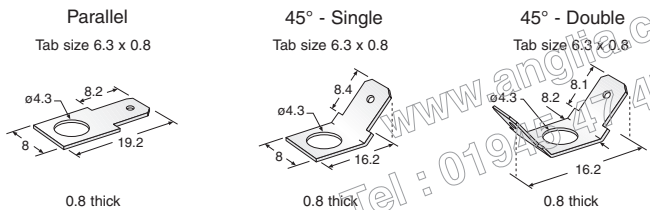

Type	Screw Size (mm)	Manf. Part No.	anglia Order Code
VERTICAL	M3	MCB4-M3P	492362
	M4	MCB4-M4P	492363
HORIZONTAL	M3	MCB5-M3P	492372
	M4	MCB5-M4P	492373

STUD MOUNTING

Option of parallel (straight) or 45° angle, with 45° providing a choice of single or double blade.

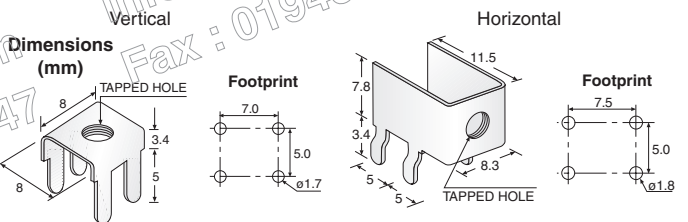

Dimensions (mm)

Type & Tab Size (mm)	Manf. Part No.	anglia Order Code
PARALLEL		
single 6.3 x 0.8	MSB1-250	492260
45° ANGLE		
single 6.3 x 0.8	MSB3-250	492270
double 6.3 x 0.8	MSB4-250	492280

WITHOUT SCREW

Option of vertical or horizontal and tapped hole size.

Type	Hole Size (mm)	Manf. Part No.	anglia Order Code
VERTICAL			
	Tapped M3	MCB4-M3	492360
	Tapped M4	MCB4-M4	492361
HORIZONTAL			
	Tapped M3	MCB5-M3	492370
	Tapped M4	MCB5-M4	492371
