Dear Customer

We have been advised by our supplier Inalways Corporation that the safety approvals have been updated to the part numbers shown below with immediate effect.

In order to integrate safety markings, future products will include cUL approval with CSA markings removed.

This change does not affect the form, fit or function of the products.

Part number: **672480**

Anglia operates a strict FIFO system in our Distribution Centre therefore, it may take some time for this change to filter through to customer deliveries of the above part numbers.

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely

Anglia
