

Change Notice / Request

Dear Valued Customers,

Thank you for your support always.

From the continuous effort & study of 'focus & selection', we decided and would like to announce the following change.

- Notice -

1. subject models : Coin type CR batteries (5 models)
CR1216, CR1220, CR1616, CR1620, CR2450
2. change contents : Stop production in Japan and shift to
Indonesia factory
3. change schedule : Stop Japan shipment by March 2009
Start Indonesia shipment from April 2009

With the production site changes, there is NO specifications change other than the Country Origin changes ('Japan' to 'Indonesia').

Should you require any data, sample for your evaluation, please advise our sales team.

(*The data and samples are estimated to be available from September 2008.)

We look forward to your understanding and support on the change.
