RE: LFPCN 41476- SIDACTor DO-214AC(SMA), DO-214AA(SMB) and DO-214AB(SMC) packages additional Epoxy Molding Compound approval

To: Our Valued Customers,

Effective Jul 1st, 2023, Littelfuse will be adding a new epoxy molding compound (EMC) for our SIDACTor **DO-214AC(SMA), DO-214AA(SMB) and DO-214AB(SMC)** packages. The addition of an extra EMC supplier will improve the robustness of our supply chain and enhance security of supply for our customers.

There will be no change to the datasheet specifications for the affected products. There will be no change to the form, fit, function, or reliability of the products.

All affected products have been fully qualified in accordance with established performance and reliability criteria. Please refer to the attached affected parts list and documentation for qualification result and change details. Samples and qualification data are available upon request.

Form, fit, function changes: None

Part number changes: None

Effective date: Jul 1st , 2023

Replacement products: N/A

Last time buy: N/A

This notification is for your information and acknowledgement. If you have any other questions or concerns, please contact your local sales team or product team below for further assistance.

We highly value your business and look forward to assisting you whenever possible.
