Dear Customer

Magnetone have advised they have made several upgrades to their production tooling and manufacturing processes for the below series. These upgrades have been implemented to replace worn or old tooling and to improve efficiency, production yield and flow of the manufacturing process.

These upgrades do not affect the form, fit or function of the products but there will be some minor dimensional and cosmetic appearance changes which are shown in the datasheets attached.

Anglia operates a strict F.I.F.O system in our Distribution Centre therefore it may take some time for this change to filter through to customer deliveries.

Please ensure this information is circulated to the relevant persons within your organisation.

Yours Sincerely
