CLD-PC06

Subject: Visual Appearance of XLamp XR-E Cool White LEDs

Date: January 9, 2009

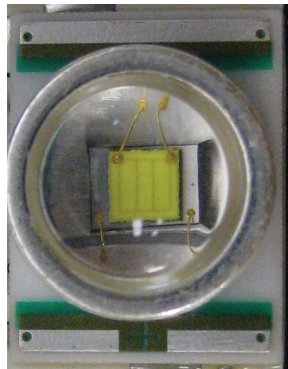

This notification applies to the following Cree XLamp order codes:

XREWHT-XX-XXXX-XXXXX

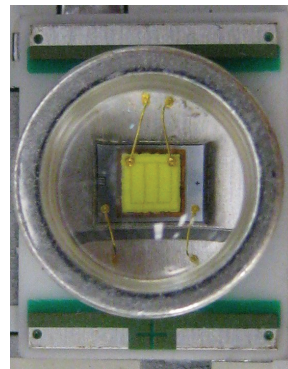

No customer action is required.

Change Description

Cree will begin shipment of XLamp XR-E LEDs with different visual appearances. An example of an XLamp XR-E LED with different visual appearance is shown in the pictures below. These visually different XLamp XR-E LEDs meet the product specifications, reliability and lifetime projections stated on the XLamp XR-E data sheet.

Current Appearance

New Appearance

Impact of Change

Beginning January 16, 2009, Cree may begin shipments of XLamp XR-E cool white LEDs with different visual appearances. Each reel of XLamp XR-E LEDs will only contain LEDs with similar visual appearance. No customer action is required.
